ON PETITION

This is a decision on the petition under 37 CFR 1.378(c), filed January 22, 2004, to accept the delayed payment of a maintenance fee for the above-identified patent.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the delay in filing a timely response was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay in paying the maintenance fee was in fact unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay in paying the maintenance fee was intentional, petitioner must so notify the Office. Also, it is not apparent whether the person signing the instant petition was ever given a power of attorney or authorization of agent to prosecute this patent. In accordance with 37 CFR 1.34(a), the signature appearing on the petition shall constitute a representation to the United States Patent and Trademark Office that he/she is authorized to represent the particular party in whose behalf he/she acts.

The petition is **GRANTED**.

The maintenance fee is hereby accepted and the above-identified patent is reinstated as of the mail date of this decision.

If petitioner desires to receive future correspondence, which **may** be mailed, regarding maintenance fees for the above-identified patent, the attached "fee address" and/or "customer number" forms should be submitted.

The patent file is being forwarded to Files Repository.
